Please review your statements carefully every month to make sure all charges including music, sports and any other miscellaneous charges are correct. If there are incorrect charges for music or sports, please discuss them with the appropriate teacher before requesting an adjustment from the Business Office. These adjustments must be made within the same month. Failure to pay miscellaneous charges, will result in being charged a late fee if your balance exceeds \$100 on the last day of the month.

Paying Your Tuition

Statements

Statements are sent out in the beginning of each month. Payment is due by the last day of each month. If the account is not paid in full by the last day of the month a \$20 late payment fee will be charged. Failure to keep an account current could result in dismissal.

Checks

Checks are made payable to Forest Lake Education Center (FLEC). The student's name should be written on the check. If the bank does not honor the check, the school will charge a fee of \$20.00 for a return check.

Previous Balance

The account for the previous year's expenses at FLEC or other Seventh-day Adventist educational institutions must be settled before a student is permitted to enroll for the current school year. Any delinquent accounts remaining from a brother or sister who attended FLEC must also be settled before another family member is admitted.

Account Status

The financial sponsor is expected to maintain the account current at all times. The student must obtain financial clearance at the following points:

- a) at the beginning of each nine-week period
- b) in advance for graduation

Past Due Action

30 Days – a letter is sent to the financial sponsor(s) requesting payment and the account will be included in an aging list sent to the Finance Committee and Board chairperson.

60 Days – a second letter is sent to the financial sponsor(s) requesting prompt action on the account. The account will be reviewed at the next Finance Committee meeting. Any decision to remove a student from school due to financial difficulties must have final approval from the Finance Committee.

Refunds

If a student withdraws within the first two weeks of the opening day of school, 75% of the registration fee is refunded; students withdrawing within four weeks will receive a 50% refund. After four weeks, no refund will be given.

When a student withdraws from school, an adjustment will be made to the account so that only tuition actually incurred is charged. The date effective for the refund calculation is the date the student officially withdraws. Registration and application fees are not refundable. All withdrawal requests must be submitted in writing and returned to the Registrar.

Statement of Responsibility

Each student is accepted at FLEC with the understanding that his or her parents or legal guardian is/are responsible for the legal aspects of his or her attendance, regardless of age. These include, but are not limited to, the following:

- a) Payment of the account
- b) Damage to property

c) Liability through altercation

Transcript or Diploma

Transcripts, cumulative records, or diplomas cannot be issued unless the account for the student has been paid in full. If full payment is not received for exited students within a year, a 1099C will be issued for collection of debt.
